## G. Franklin Shull, Jr., DMD, FAGD

Dr. Shull is a native of South Carolina, earning his Bachelor of Science degree from the University of South Carolina and his dental degree from the Medical University of South Carolina. He then completed a General Practice Residency at Richland Memorial Hospital in Columbia, South Carolina.

Dr. Shull is a member and fellow of the Academy of General Dentistry, a member of the American Dental Association, American Academy of Cosmetic Dentistry and the Southeastern Prosthodontic Society. He is a member and past president of the South Carolina AGD and a member and past president of The greater Columbia Dental Society.

Dr. Shull is on the teaching faculty at the L.D. Pankey Institute where he teaches the Aesthetics Continuum. He also holds faculty appointments at Palmetto Health Richland General Practice Residency and Georgia Regents University, School of Dentistry.

Dr. Shull has published many dental articles and lectures throughout the United States on topics including Aesthetics, Dental Materials, Adhesives, Composites, Ceramics and Dental Photography. All of Dr. Shull's lectures are based on current literature and are filled with clinical photography.

Dr. Shull has a referral based private practice in Columbia, SC with two locations. He focuses on comprehensive restorative dentistry. He is married with two children.

# Materials and Techniques for Predictable Esthetics

The restorative dental practice faces many challenges everyday. Keeping up with the many new materials and techniques can be overwhelming. This program will help the general dentist make decisions that can improve the predictability of their esthetic restorations.

- **Materials and techniques for direct restorations**
- **Ceramics for the best strength and esthetics**
- **The latest on Zirconia**
- **Digital Photography at the next level**
- **Digital intraoral scanners**
- **Digital treatment planning and 3D CAD design**
- **Digital Dental Lab, where does the ceramist fit in?**

### ADA CERP® | Continuing Education Recognition Program

Fifth District Dental Society is an ADA CERP Recognized Provider approved by Pennsylvania Dental Association.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Fifth District Dental Society designates this activity for 6 continuing education credit hours of which all 6 count toward PA Dental License Renewal.

Concerns or complaints about a CE provider maybe directed to the provider or to ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp).
