

There is Value in Membership

“ *As a new dentist, the membership benefits and advocacy provided by PDA are invaluable. I like being in an organization that helps me connect with other dentists and provides me with mentors.* ”

Dr. Kristen Best, of Irwin, PDA member since 2008

“ *The advocacy efforts of PDA benefit members and non-members alike, but we need EVERY dentist's time, talents and financial support to really make a difference and protect our profession.* ”

Dr. Michael Shuman, of Blandon, PDA member since 1975
